Beaumont, AB T4X 1E7

Beginning Friday night, November 15th, and concluding Sunday, November 17th, Alberta's Credit Union will be merging the banking systems of its two legacy credit unions. Some services will be disrupted in the week before the banking system merge and throughout the weekend of the merge. Our branches will be closed November 16th to facilitate the banking system merge. The expected service disruptions are:

- November 15: Online banking will be unavailable on our website, mobile website and mobile app.
- November 15 – 17: Scheduled bill payments will not process.
- November 17: Online banking will be restored for the website, mobile website and mobile app late in the afternoon. Any bill payments scheduled to occur during the system downtime will process.
- November 18: Regular services will resume.

From November 15 – 17 other service disruptions may be experienced, including ATM and Point of Sale transactions. Please have an alternate payment method during this time.

As of November 18, 2019 our website address will be <https://www.abcu.ca>

If you have any questions about the impact of the banking system merge please contact us at 780-929-8561 or beaumontcentralized@alberta-cu.com.
