Continued Growth

Despite challenges, Beaumont Credit Union saw continued growth in 2010. We’re poised to meet future economic challenges. Our assets were just shy of $200 Million and saw a 5.4% increase over 2009. The dividends paid to our member-owners increased 9.7%, from $172,063 in 2009 to $188,837 in 2010.

If you would like to see our 2010 Annual Report, you can view it on our website at www.beaumontcu.com or visit the branch to see a hard copy.

The More the Merrier

We had a blast! 147 member-owners and 16 guests joined us at the KC Hall this year, for a total of 163 attendees. This was up from last year’s total of 137. Everyone was served a delicious dinner put on by Eagle’s Nest Catering. Roast beef, chicken, and a lovely assortment of salads were enjoyed by all.

Auditor Report

Michael Epp, Credit Union Auditor from Hawkins Epp Dumont LLP, provided a summary of the Auditor’s Report for those in attendance. The report was positive despite economic challenges in 2010. It goes to show that BCU is well positioned for continued growth in 2011.
The King in Beaumont

The official adjournment of our AGM was the beginning of the evening’s entertainment. CJ Bérubé (a.k.a. Elvis) rocked the halls of Beaumont’s KC Hall with the rockabilly hits that only he can deliver. The King of Rock and Roll (or at least someone who looked and sounded a lot like him) thrilled the audience with dance moves and roses.

Helping our Community

Sergeant Dave Wilkinson accepted a $1,000 dollar donation from Beaumont Credit Union. As Sergeant Wilkinson was accepting the donation, he graciously spoke of the strong ties BCU has with the community and the progressive policing methods that are made possible through charitable donations such as ours.
